## **Donating to Safe Nest Makes a Difference**

Safe Nest is Clark County's largest and most comprehensive agency devoted solely to domestic violence issues. Services include shelters in confidential locations, a 24-hour crisis hotline, counseling, victim advocacy, prevention and community education. The agency has been working to prevent and end domestic violence since 1977.

Safe Nest's life-saving work would not be possible without the support of the community. The agency relies on generous individuals and organizations throughout Southern Nevada to support its mission of ending domestic violence. Safe Nest offers many convenient ways to donate and make a difference.

Making a donation of used clothing or small household items will help victims of domestic violence and their children to reclaim their lives. Next time you clean out your closets or empty those boxes in the garage, pick up the phone and call Safe Nest's Donation Center at 287-3800. Safe Nest will even pick up your donation. Or you can find the nearest donation bin location online at [www.safenest.org](http://www.safenest.org).

In addition to clothing and household items, you may donate your used car, boat or motorcycle. It is a simple way to get a tax-deduction for your used vehicle while benefiting victims of domestic violence. The proceeds will help the community and the tax-deduction will benefit your wallet. Safe Nest will pick up your vehicle and take care of all the paperwork. Make a difference today by calling 203-8661 or go online at [www.safenest.org](http://www.safenest.org).

Thanks to the support of the community, Safe Nest has been serving families and saving lives in Southern Nevada for more than 29 years. Please do your part to help end domestic violence by donating to Safe Nest today.
